The Big HOO HAA!

Cut Snake Comedy

Synopsis

It's the show that began the careers of Tim Minchin (So Rock), Claire Hooper (Good News Week) and Xavier Michelides (Rove).

Two teams of fearless comedians battle it out against each other to create comedy sketches on the spot. Armed with only audience suggestions and a handful of props, they leave no song unsung, no joke undelivered and no pun unpunished in their mad dash for the punch line.

If theatre and stand-up comedy met one night in a smoky bar and after a few drinks found themselves in a compromising position in the back of a clapped out '67 Volkswagon, the result of this sordid tryst would be *The Big HOO-HAA!*

Workshops

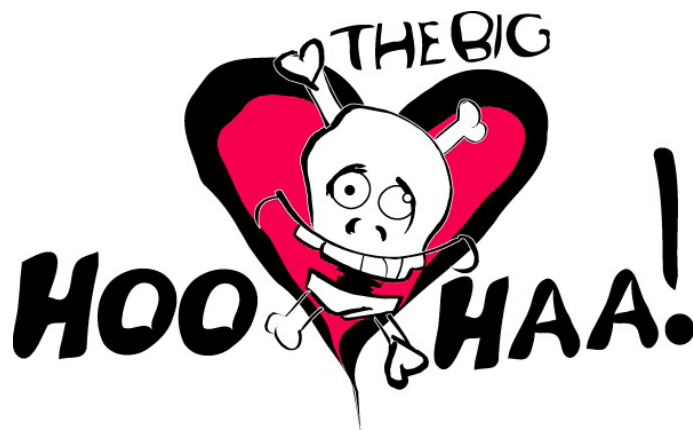

Subject to itinerary.

Cast members of *The Big HOO HAA!* have trained internationally and offer theatre workshops for both adults and children.
