General Description

Standard gymnasium auditorium 31800 x 17990 with no fixed stage or lighting or sound facilities. There are two 3-phase outlets located at either end of the Hall. One is a 50 amp 5-pin the other is 20 amp 5-pin. There is no means of blacking out west side windows.

There are 2 x 10 amp power points at each end, and 2 on the west side. The east sidewall is a full-length concertina door leading to bar. Licence is available with prior notice thru Shire.

There are 24 sections of collapsible rostra each 1800 x 1200 x 810.

Most presenters place the stage at the North end of the Hall, with the changing rooms behind them. There is a crossover door at each end leading to change rooms, toilets and showers.
