General Description

1977 brick gym hall. 15200w x 20550d x 4100h. Estimated capacity concert style 250 cabaret style 200. Licensed for 600.

There is no three-phase power or lighting bars. There are 5 large windows either side of the hall with no means of blackout. The hall is lit by fluorescents operated in foyer.

A polished jarra timber floor. Acoustically good.

There is a small kitchen with servery at the rear of the hall. Male and female toilets in foyer. Bump-in access is excellent, with a standard double-door with truck access at the side of the building.
