

## 2009 Projects

Project / Town	Region	Description	Start Date	End Date
Bardi Batik / One Arm Point	Kimberley	Local Bardi Batik artists and visiting artist, Paula Heart worked with young people to develop Bardi designs on silk. A show at the local hall exhibited the creations to the local community.	29 March	8 April
Mural Art Workshop / Boddington	Peel	Lesley King assisted youth in designing a mural for the outside wall of the old Boddington Cadet room. The youth designed the mural with the support of the professional artist.	18 April	19 April
Cheertastic/ Kalgoorlie	Goldfields/Esperance	A professional cheerleading coach worked with young people from the community to provide skills such as stunts, floor work and choreography which culminated in a group performance.	30 May	18 July
Deadlie Designs	South West	Artistic development within the youth community and producing artwork at the local skate park. The artist will conduct four workshops over the period of one month to teach the young people different artistic techniques and help us design an art piece that we can apply to our local skate park.	1 July	1 August

Making Movies Roadshow/ <i>Denham</i>	Gascoyne	Over the period of five days Making Movies Roadshow will help some youth in our community to learn film making skills. During this project we will learn how to write a script, use cameras and edit and produce a film. The culmination of the project will be a community viewing of the finished films. This is an opportunity for the community to come together in the making of and showing of the films.	6 July	10 July
Bowtie Chicken/ <i>Broome</i>	Kimberley	In this project there will be trainers sent up from Fremantle to train up to 25 young people in the art of circus including: aerial work, acro-balance, juggling and hula hoops.	8 August	23 August
